

New talent at The Mane Salon

Bomin Gong is a talented and enthusiastic hair stylist who loves working with people. "I came to Canada from South Korea 11 years ago and I've been working in an upscale salon in Toronto for the past eight years. Last September I purchased The Mane Salon, and now that I have my own shop here in Aurora, I can't wait to meet my new clients and share my ideas with them," she says.

Bomin has many creative and exciting cut and colour ideas for your hair. "It's exciting to try the latest trends, but first we must find the one that will work best with your type of hair and the shape of your face. Your new look must suit you and your lifestyle, yet be unique and stylish," she adds.

For Valentine's Day, the salon is offering a special package consisting of a manicure, pedicure and eyebrow wax for only \$42.

A cut, full foil highlights, blow dry and styling is only \$70.

Extensions are also available.

Bomin has many years of experience in artistic makeup for models, so for special occasions, including weddings, call and book your appointments.

Clients will be happy to hear that Christine, Basia and Stephanie are still here to serve you.

Call 905-713-0177, or drop in and meet Bomin at 15408 Yonge St., in the new Shopper's Drug Mart Plaza.
